Dear Jeni,

Wow, where do I begin? I was absolutely wowed by the whole weekend! Thank you and all the directors for an incredible, emotional and educational experience as a guardian for my cousin, Dan Boss, on the May 2023 Never Forgotten Home Flight. Jim and Dr. Hill are unforgettable, everything was so well organized and moved in a completely easy going way.

My husband spoke to a couple of directors, he is a Vietnam Veteran and they encouraged him to apply through

this organization. Hence, his application
is enclosed along with our donation
to your fine organization.

My cousin was so happy with
the entire trip. I'm pleased he
was chosen to go and that I was
able to accompany him.

Best Wishes for Continued Success

P.S. Thanks for the bus ride to
and from the airport! You have
no idea the panic that set in when
the car started to fail on the
highway!  Pheew - we made
it!
