Ladies and Gentleman,

I had the honor of taking your May 15, 2023 flight and was quite impressed by your organization. Everyone smiled. Everyone was more than eager to help. You had the trip coordinated perfectly so that the veterans were able to see all those memorials. Thank you, thank you, THANK YOU!

I have already done a presentation to a DAR Chapter who wanted me to speak about the trip, and have spread the word to several others who have not yet signed up. Hopefully they will.

Please accept my small appreciation enclosed so that it will help others to also partake of this "trip of a lifetime."
