

Enclosed please find 2 checks (each for [REDACTED]) and a print out for a donation made on line. My husband, Robert Jinkerson, recently passed away. Please accept these donations to the Never Forgotten Honor Flight in memory of Him. Bob was fortunate enough to take the Honor Flight last September and we have greeted the troops coming home many times at the airport in Wausau. I wish you continued success with this program. It is a wonderful thing you are doing for our men who have served their country.

God Bless!
Kelly Jinkerson
