To Those Who Have Kept Us Safe

*We tend to take for granted
Those things in life that we rely upon but don't often see.*

*We don't see through the same eyes
Of those who serve or dedicate their lives to keeping us safe.*

*We don't know the same fears or pains,
The dangers they face or the crosses they bear.*

*We live our lives in a detached awareness,
A vague oblivion, knowing they are there,
Somewhere, doing something.*

To those who serve we honor you and thank you.

*Forgive our ignorance to those challenges you face,
To the dangers that we could not endure.*

*Thank you for the sacrifices you & your family have made
So that we might have the time & freedom with our own.*

*Know that the blood you have shed,
The long goodbyes and the unseen tears
Are not forgotten nor diminished
As we honor your dedication to keeping us safe.*

*"Heroism doesn't always happen in a burst of glory.
Sometimes small triumphs and large hearts change
the course of history." - Mary Roach*
