

Never Forgotten Honor Flight  
225780 Rib Mt. Drive #234  
Wausau, WI 54401

October 20, 2023

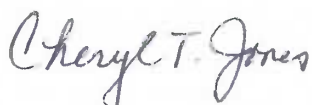

Please accept this donation for the Never Forgotten Honor Flight. It is being given in memory/honor of John H. Jones, Jr.

John served in Viet Nam in 70/71 as an Army JAG Officer. He served on active duty for 4 years and for 11 years in the Army Reserves. His rank was that of Major when he resigned his commission.

John died July 2, 2020. He was never able to participate in Honor Flight. He had Alzheimer's and severe dementia and it was not feasible for him to participate. He was very proud of his service to his Country. I know he would be pleased that other Veterans would be able to attend and participate in the Never Forgotten Honor Flight because of this donation.

Thank you for the work you do, it does make a difference to those who attend and to their families. It also reminds the community of the valor and honor these Veterans represent.

Sincerely,

Cheryl T. Jones
