Please accept my small donation in Richard Cook's honor,  
a participant in this last Honor Flight of October 16<sup>th</sup>.

While other veteran friends of mine have expressed  
appreciation of the Honor Flights special tribute, it  
was Dick, sharing a deeper meaning and gratitude he  
experienced.

To you Folks, this means: "A job well done!"

Respectfully,

A handwritten signature in blue ink that reads "Bernie Binning". The signature is written in a cursive style with a long horizontal stroke at the end.
