TO: Everyone

I was lucky to be a part of the Honor Flight #46 on October 16th. It was a day that I will never forget. My wife says I haven't stopped talking about it since I returned from Washington, DC!!

To all the volunteers, the "red shirts", the "green shirts", the "blue shirts" and not forgetting all those who have donated to this wonderful event to honor veterans, a well-deserved THANK YOU!

It was a well organized 2-day event for me and my wife. There are so many to thank, which makes it nearly impossible, but I did need to let you know it was a trip of a lifetime! Staying at the Hilton Garden Inn was memorable and the staff wonderful. The volunteer red shirts were caring, helpful and everywhere. My green shirt guardian, Becky, was an angel in disguise and is now considered a part of my extended family.

I can't say anything except THANK YOU to anyone involved in providing this exciting event!

Sincerely,
