Never Forgotten Honor Flight

225780 Rib Mountain Dr., #234

Wausau, WI 54401

Dear friends of the Honor Flight

Your Honor Flights are such a blessing to the veterans who are able to experience this well-deserved trip of a lifetime.

Please accept our check for [REDACTED] as a donation for the future Honor Flights. This is from the American Legion Post #303 Auxiliary of Winter, Wisconsin.

We have a representative present to welcome home all the flights of the veterans at the Mosinee airport. What a joy to see the looks of delight when our veterans return from their busy day. This is indeed a day that they – and their families – will remember for their lifetime.

Thank you for all you do to make this day extra special for the veterans and their families.
