

11-11-23

To Your Staff & Organization,

Today is Veteran's Day and this past week I have participated in some celebrations and watched a lot of news coverage. I am "reliving" and appreciating the opportunity that I had to be part of the recent Honor Flight. I sincerely appreciate the remarkable work of your organization

and plan to volunteer for upcoming flights. Thank you for caring for our country's veterans.

Sincerely,

Tom Zehren
