

To the Never Forgotten Honor Flight:

I would like to make a donation to the Honor Flight in memory of my very special friend Leonard W. Erickson. He served in the Korean War during his time in the Air Force. His time of service was 1951-1955. He passed away on January 9, 2024.

The Honor Flight is one of the greatest things that can be done for the veterans. I wish that Leonard could have been on this flight.

I will be attending the welcome home ceremony as my brother will be on the flight. His name is Stallare E. Henke

Sincerely,
Charlotte L. Larson
