

To Whom It May Concern,

This check is a donation for a Veteran or that Veterans sponsor from Athens, Wisconsin. This donation was collected from staff at Athens Elementary & Maple Grove Elementary (our charter school). Every Wednesday we are invited to wear jeans and make a donation to a cause chosen for that month. We wanted to help one of our local Veterans get to Washington DC for your awesome trip. Please see that this money is for one of those people or their sponsor who will be traveling with them. Thank you for all you do.

Sincerely,
