What a wonderful touching
experience for both my
husband, the veterans, and
myself!

Everything was very well
organized from the beginning
on Sunday afternoon to the
reception on Monday evening.

We welcome home at the
airport was truly amazing!
The two night stay at the
hotel at no cost to us was
greatly appreciated.

Everyone and everything
was wonderful!

Honor Flight Committee

You went above and beyond

in a big, big way -

and for that, you deserve

a big, big thanks!

There are not enough
words to say how memorable
the whole experience was.
It will never be forgotten.
