Re: Donation

My husband Monte Cofell went on your September, 2017 honor flight. It was one of the highlights of his life. He died this year on March 19th.

Dave Junion donated \$500.00 towards our funeral expenses. I know Dave is very involved in all the honor flights. Since my husband's trip to D. C. was so special to him, I want to re-donate Dave's \$500 to your organization in Monte's name.

Thank you for the wonderful work you're all doing.

Joan Cofell
