

I'M FREE

Don't grieve for me now,
I'm Free
I'm following the path
God laid for me
I took his hand
when I heard him call
I turned my back
and left it all.
I could not stay
another day
To laugh, to live,
to work or play

Tasks left undone must stay that way
I've found my peace at the middle of the day.

If my parting has left a void

Then fill it with remembered joy

A friendship shared, a laugh, a kiss

Ah yes, these things I too will miss.

Be not burdened with times of sorrow

I wish you the sunshine of tomorrow.

My life's been full, I've savored much

Good Friends, good times, a loved one's touch.

Perhaps my time seemed all too brief

Don't lengthen it now with undue grief

Lift up your heart and share with me

God wanted me now; He set me free.
