To my friends at the Never Forgotten Honor Flight,

I've waited a week to gather my thoughts and feelings about Mission 47 that I recently participated in. I'm still buzzing about the experience. It was unforgettable. All the folks we ran into during this whirlwind experience were terrific. I could go on and on but I just wanted to say thank you from the bottom of my heart for all you did. I'm a member in other veteran groups and yesterday our Amvets club had its semi-annual breakfast fundraiser and I made it a point to talk to every member and veteran I could to tell them about the Never Forgotten Honor Flight. I hope they will all contact you.

Please accept the enclosed check as a donation. I just wish it could be more. Again, thank you all.

Sincerely,

Michael J Petersen
