

To the Board of the Home Forgotten Honor Flight.

Thank you for an incredible trip with unforgettable memories. The volunteers with their knowledge, enthusiasm, and friendliness made the Home Forgotten Honor Flight even more special. I am truly grateful for the experience, from our arrival at the Ketter Station, Am, bus welcome, snacks, meals, drinks, bus rides, picnic bags, and the Board. From trip to D.C. of our blessed to know my son Steven P. Bauer P. as my grandson, and that also made great memories. The "Home Forgotten Honor Flight" is truly a "trip of a lifetime". We wish you all the best and appreciate.

Thank you so very much.

I just want to express my deep gratitude and thank you the entire and dedicated work you do for the Veterans.
