This donation to the Never Forgotten Honor Flight is from a gun raffle held April 6, 2024 at our banquet in honor of veterans who have served. The beautiful engraving on the gun depicting all branches of the military was donated by Awards & More of Wisconsin Rapids.

The raffle funds raised that evening thanks to the help of all the Wisconsin Wildlife Federation District 4 West Committee, will enable 14 veterans to fly on their trip of a lifetime.

Thank you to the Never Forgotten Honor Flight and everyone associated with this great organization for what you do, to make the day of a veteran something they will never forget.
