Hello –

Please accept this check as a donation to the Never Forgotten Honor Flight.

We raised this money during the festival by replacing wristbands. If a customer wanted us to replace their wristband, usually because they pulled on it, and it got too tight, we would replace it by accepting a donation.

Our hopes were to help with your goal of flying veterans to Washington D.C. We know that your organization goes above and beyond the call of duty.

Thank you,

Hodag Country Festival
