

August 5, 2024

Thank you members of the #48 Never
Forgotten Honor Flight to Washington D.C.
April 22, 2024 for the photos.

The beautiful ready to be framed collage
was received in perfect condition!!

A very sincere thank you for David June
many impressive photos of the Flight #48.
I can relive each event of that day looking
at your many pictures.

You deserve a special appreciation for

- 2 -

donating your time and talents with
many past "Honor Flights."

Thank you for your dedicated service
allowing all "Honor Flight" veterans to
relive this special, honorable day.

Articles about our flight were written
in the Barron Electric Cooperative monthly
news letter and local newspapers.
Our family arrived for their annual
visit to Cumberland and of course all the
gifts and memories were again revisited.

I thank you and our family thank
you for making the flight possible
and allowing good memories to be
made in so many ways including
meeting so many very generous
Committee members from the Wau
area.

Thank you,
Jerry Severson
