

Please find an enclosed check for [REDACTED]
in memory of Lester J. Kesy

Lester was a Vietnam Veteran who passed
away nearly 14 years ago (Sept. 17, 2010) He
passed from a massive heart attack at
the age of 59. Unknown heart condition
was later connected to Agent Orange.

Our oldest daughter Kelly turned 50
recently and we had a basket raffle at
her party to honor her Dad's memory.

Thank You for all the incredible
work you do.

Regards,
Linda Kesy
