

Chuck and I would like to thank each of you for all you do/did to honor our veterans. Chuck went on the 49th flight and we are so grateful for how he and the others were treated. Your provisions for each one was amazing. It took us 10 years to get Chuck to go and he had a wonderful experience.

Each volunteer treated each veteran as though he was the most important one. We thank our Lord for this opportunity and your service. Thank you again,
Joanne Altman
