Dear Friends,

Every month our congregation focusses on mission giving to one area partner in mission. We have seen the healing and sense of community your honor flights provide, and we were happy to promote your mission during our July Mission Moments in our services.

Please find enclosed a check for \$1,410 from our members. It comes with prayers for your continuing work and our heartfelt gratitude for all who make the Never Forgotten Honor Flight possible.

In Christ's Service

Sr. Pastor
