Paul & I want to thank you all  
for the wonderful help you  
gave to us, especially for my  
Paul being so well honored, and  
guided, saved for and given  
the "Welcome Home" that was  
not given when he returned  
years ago. Your foundation  
gave him renewed hope  
with all the joy he could have  
never dreamed of -  
The volunteers never missed  
a beat and we give you our  
Heartfelt Thanks. It truly  
was a time he will never  
forget

With warmest thanks  
for all your help.

Sincerely,  
L. R. Paul Johnson  
wife Alice
