

Our team did a collection this fall for our Joy group. We all decided that we wanted to do it in honor of all and Veterans Day. Our goal was to make it enough to be able to send a Veteran on the Never Forgotten Honor Flight. We know what Joy and Honor it brings to a Veteran to go on this flight, as one of our Care Coordinators went with her father this year. He was in absolute Awe of the amazing

things he got to do and see on this trip. The Kindness of all the people will always be remembered. We are looking forward to being able to bring some of that joy to another Veteran.

Thank you all for your  
service and Dedication,

Ambulatory Care Coordination  
group
