Dear "Never Forgotten Honor Flight Volunteers,

Thank you so much for honoring my husband
on the 50th Honor Flight to Wash. D.C. in Oct.

Rod is a "man of few words" who often
does not express his feelings. This
trip meant a lot to him - he never had
the opportunity to visit Wash. D.C. before.

He felt like so many Veterans of the Viet
Nam era, if you didn't actually "see action"
you didn't deserve to go on the Honor Flight.

This opportunity made him realize that
his service was just as important and
valued.

I also would like to thank you for
honoring the wives + family of service
Veterans. The special luncheon and
ring-side seats at the airport and the
long walk down the aisle was truly
life altering for both me and my husband.

I love the pictures taken by your designated
photographer who captured the day so
beautifully.

Sincerely

Laurel Hoeth
