

Honor Flight Program:

Congrats. on a fine/excellent
run program. Thank you for
the opportunity to be on Ft
#50 28 Oct 2024. It was a
great experience and enjoyable
because of the organization and
efforts of all the staff.

Everything went smoothly
from the initial meeting
 thru the ending flight
and reception.

My wife also enjoyed all the
events and activities which
were established for the spouses!

I am "spreading the
word" to friends about the
program. Hope they take
advantage of the opportunity.
I will continue to support
the program + her donations
and charity events.
