“Thank You” seems like an inadequate message to express the gratitude I feel for the experience I had as a veteran on the 51<sup>st</sup> Never Forgotten Honor Flight yesterday. I guess it will have to do because I don’t think I can send an email large enough to accommodate all the words necessary to express my feelings.

The experience you have created for Veterans is truly awe-inspiring and I will never forget my experience yesterday.

Thank from the bottom of my heart, (sides and top too )
