To Whom It May Concern,

Enclosed please find my check for ~~one hundred dollars~~. Please accept this in memory of Eugene Battist. If this is a standard practice, I would appreciate it if you would make his wife, Betty Battist aware of your receiving it.

You group is providing some a wonderful thing for veterans. We also have a group here in Evansville. I have seen and talked to veterans who have been on the flight and they couldn't say enough good things about it.

Thank you so much for your contributions.

Sincerely,

Marsha Dobbs
