Thank you for including me on the Fifty-First Honor Flight. This event was both exhilarating and humbling. The planning, organization, and implementation must have been of the highest order! How else could have the day been so perfectly executed? It exceeded my expectations.

I resided in New Jersey for three years in the early nineties – thus, I had previously visited D.C. Now, as then, viewing the names on the monuments especially the war memorials, is truly a humbling experience. I thank God for each of them.

I also want to thank you for our guardian Sue Grabowski. She went above and beyond the call to ensure that my Brother Joe and I were well cared for.

Again, thank you for the wonderful experience. I especially enjoyed meeting with all the groups and individuals that greeted us after we deplaned at CWA.

Respectfully,

Jim Havlovick
