Never Forgotten Flight

225780 Rib Mt. Dr. #234

Wausau, WI 54401

Subject: Never Forgotten Honor Flight

Mission #52

The selfless service of the donors, organizers, and Company of guardians and volunteers, of the recent Never Forgotten Honor Flight from Wausau is to be commended. The planning of the flight worked as a fine-tuned military machine. The detailed precision of every aspect complimented the organization and the veterans they honored. The exhilarating feeling of the day will remain with the participants for a lifetime.

Thank you to the efficient staff of the Hilton Garden Inn and the Ghidorzi family, the Anthony P. Brezezinski Foundation, the Honor Flight Board of Directors, the Care Packages from Operation Gratitude, Ken Moberg, the motorcycle escort members, medical personnel accompanying the veteran's flight, and a special thank you to my guardian, Laura Konrardy, RN. The expedience of the pamphlet from *Color Creations* was amazing. The assistance of Jeni and Tess behind the scenes was appreciated.

The mail call letters from family, friends, and the following school-aged children: Taylor, Raedyn, Liam, and Owen, added a heartfelt touch to a memorable day.

Thank you to all!
