

Col. Jim,

Thank you for all you've
done with the Never Forgotten Honor
Flight program.

Being a part of Flight #52
was truly a "trip of a lifetime".
I think about it every day.

Thank you so very much.

I'm grateful for everyone
who played a part in the planning.
Everything was so organized and
made every veteran feel special.

You started something wonderful
and I was blessed to have been
able to be a part of it.

I can't say thank you enough.
