Dear Mr. Campbell:

The Neillsville American Legion Facility is proud to present this check of \$1000 to be used for the Never Forgotten Honor Flight. These funds were raised by many volunteers who work the food events at the facility.

Several veterans from this area have been privileged to have been able to take this trip and stated it was very interesting and rewarding. A few of our American Legion Post 73 members will be experiencing this trip in October.

Thank you for all you do to make these Honor Flights possible.

Sincerely yours,

**Vickie Dux
Neillsville American Legion Facility Manager**
