James Campbell:

Please accept this donation for the Honor Flight organization from the Knights of Columbus in Thorp, WI. Our local parish has had several veterans participate in the Honor Flight program. They have shared how much being a part of this program has meant to them. We've heard their moving and emotional stories and that the gratitude shown to them by complete strangers has helped them feel appreciated. We would like you to continue the program so many others can take part in this wonderful experience. Thank you for all you do for our veterans.

Sincerely,

Daniel Welgos / Knights of Columbus - Thorp
