Board of Directors + AND Volunteers -

It is difficult to put into words the range of emotions that I experienced during my Honor Flight on Sept 22.

Our reception when we arrived on Sunday afternoon by the volunteers until we left on Tuesday morning was unbelievable. If we had the slightest confused look on our face about what we should do, there was a volunteer more than willing to help us. They were all so very friendly & respectful. They all seemed to be so natural in their interactions, nothing staged, nothing faked.

With so many people involved so many things could have gone wrong. The potential

for glitches were ever present.

The organization of this event was run like a fine tuned watch. I can see why it is the best run departure point in Wisconsin, probably in the nation.

May the whole organization be blessed with all things positive as you continue your great work honoring all veterans

Sincerely
Jon Lipul
