RE: Donation to Honor Flight

The WIARNG Retired CSM/SGM group was form in 1992. Over the years we gathered as Senior NCO's to continue to share in camaraderie and to share stories of service to our Nation and the State of Wisconsin.

Sadly, the group has grown old and we have decided to disband. We are dispersing our funds and have chosen your group as a recipient of a donation for your great cause. Many in our group have had the opportunity to adventure to Washington DC as part of an Honor Flight and we want to see it continue.

Thank you for all do to support veterans!
