Just a note to say thanks you to you and all your support team. My dad (Fred Johnson) doesn't get too excited about much these days, but wow did he get fired up for his Honor Flight #54. You all should be very proud off the experience you create for these great veterans. Dad has already created a scrap book about his adventure to DC. I've included a photo of dad with his grandson Roman who is with Boy Scout Troop 445 Wittenberg, Wi. Our Scout Master is also a marine.
