

Just one big Thank
You to everyone who
made the "Never
Forgotten Honor Flight"
possible to my
husband and all other
Veterans in our area.
Chet was in shock
when he got off the
plane and saw all
the people there!
His trip was so very
memorable. Memories
to last forever.

Chet, as well as I
made alot of new
friends. We were,
treated so "SPECIAL".

I don't dare thank
certain people, as there
were so many of you
Special people!
The volunteers were
always there to help
any of us. Our stay
was SUPER! We were
treated like Kings
and Queens!

So thanks to all
of you! So happy
Tom Riiser was able
to go on the flight.
His money donated
was so wonderful!

Love you all!

Chet and Faye Yenter
