

I want to express my appreciation for your written thanks for my service. When I came home from Vietnam my family welcomed me but the lack of recognition from the general public was absent. There were protests over the Vietnam War and like many others I could not acknowledge the fact that I had served in the war. This helped avoid being ridiculed by the general public. I served my country to the best of my ability as a loadmaster on a C-130 cargo plane with the U.S. Air Force. The Never Forgotten Honor Flight was a meaningful way to honor that service. The homecoming ceremony with so much support from the public was incredible and very much appreciated. Thank you again! I love the USA!

To the Board of Directors and
Countless Volunteers ~

Thank you so very much
for the Never Forgotten Honor
Flight activities. Everything was
truly incredible! The
welcoming at the airport
was wonderful and we are
still talking about that,
the trip to DC, etc. We
met so many
nice people and
found some were
even acquainted
