NEVER FORGOTTEN HONOR FLIGHT
225780 Rib Mountain Drive #234
Wausau, WI 54401

Dear Never Forgotten Honor Flight Team,

It is with deep gratitude and remembrance that we enclose Fidelity Check #1222343, in the amount of \$500, in honor of our brothers-in-law, Terrance J. Burris and Robert J. Frascati.

Terrance and Robert served our country with courage, commitment, and integrity during the Vietnam War. Terrance, a Navy Corpsman attached to the Marine Air Corps in Da Nang, devoted himself to the care of his fellow Marines under extraordinary conditions, often placing their needs above his own safety. Robert, an Air Force Intelligence Officer in Thailand, carried immense responsibility with steadfast dedication, making decisions that impacted countless lives.

Both men were exposed to Agent Orange, and the effects have shaped their lives in profound ways. Terrance is now largely homebound, and Robert passed away on November 5, 2025. Though Terrance can no longer participate in an Honor Flight, both men deserve to be honored for their service, courage, and the way they lived their lives with dedication and integrity.

This donation is our way of ensuring their legacy endures. Programs like Never Forgotten Honor Flight provide a meaningful way to celebrate the lives and sacrifices of veterans, allowing families like ours to remember, honor, and give thanks.
